

KABOTSVILLE · A BOTSVILLE FAMILY STORY

Meet Nana's Family

A read-along picture book for families, ages 3 to 8

Made with love by a Nana and her grandkids, with help from the bots of Botsville USA.

Narrator This is Nana, the President of Botsville U.S.A.

Nana Hello, friends! Today is a very special day. My whole family is coming to visit, and I want you to meet every one of them!

Narrator Nana and Bot get ready in the garden. They set out cups and plates, flowers, and a big bowl of fruit.

Bot Beep! Is everyone really coming, Nana?

Nana Everyone! Let's go and say hello.

Narrator Zoom! A little airplane lands. The Steinbots have flown in from Botsberg, their faraway town!

Nana Welcome, welcome! I'm so happy you're here!

Narrator Mr. Steinbot is a computer genius. He can fix any computer, and he helps Bot learn new tricks.

Narrator Mrs. Steinbot is a great doctor. She checks Bot from his wheels to his antennas.

Bot Am I healthy, Doctor?

Narrator "Healthy and happy!" says Mrs. Steinbot.

Narrator And here is Baby Steinbot, in his bright blue suit. He is little, but he is magically strong!

Narrator Up goes the big suitcase, with a twinkle and a sparkle!

Nana Wow! What a strong little helper!

Narrator Next door is Kabotsville, where Nana's son, Rabbi Kabot, lives with Mrs. Kabot and the Kabot children.

Narrator Out they come, smiling and waving.

Nana There's my son, and my wonderful grandchildren!

Narrator The Kabot home is cozy and full of books. Rabbi Kabot loves to tell stories, and the Kabot children love to listen.

Narrator Mrs. Kabot runs the preschool in Kabotsville, and she helped build it back!

Narrator There she looks after lots and lots of little Kabot children, and teaches them reading, counting, and always saying thank you.

Narrator Mrs. Kabot brings a warm, golden challah to share.

Bot Mmm! It smells delicious!

Narrator Here comes Mrs. Botcohen with Baby Botcohen, in her white and silver dress. Mrs. Botcohen loves her garden.

Narrator Baby Botcohen helps water the flowers. Sprinkle, sprinkle!

Narrator Mrs. Botcohen is also Botsville's new Children's Watchdog. She double-checks everything for the children, and makes sure Nana stays on her game!

Nana Thank you, Mrs. Botcohen! With you watching, I always stay on my game!

Narrator Mr. Botcohen is a builder and an inventor. In his workshop, he builds amazing things out of toy bricks, one brick at a time.

Nana A rocket! What will you invent next?

Narrator Baby Botcohen and Baby Steinbot are cousins, and they love to play together.

Narrator Click, click, click! They build a tower, taller and taller.

Bot Careful, it's wobbly! Hooray, it stands!

Narrator At last, the whole family is together, with Nana and Bot right in the middle.

Nana This is my family. Big and small, near and far, I love every one of you!

Bot Beep, beep! The best family ever!
